Instructions for the GJGNY Free or Reduced Cost Energy Audit Application

This application is sent directly to the Green Jobs/Green New York program offices. Ulster Construction Co. will never have access to your financial information. Submitting this application does not obligate you to anything. Please call or email us with any questions or concerns.

Applicant Information

Please fill this section completely. For the section, *Above Grade Conditioned Square Footage of Building*, you need only to provide a rough estimate. Do not include any unheated space, such as an unheated basement or attic.

Project Finance Preferences

If applying for a free or reduced cost home energy audit, choose *Program Financing*.

Household Income Range

For Ulster County, the Area Median Income (AMI) is \$70,100.

200% AMI = \$140,200

250% AMI = \$175,200

300% AMI = \$210,300

350% AMI = \$245,350

400% AMI = \$280,400

Energy Supplier Information

Please fill out as completely as possible. If necessary, you can include further supplier information on a separate page. You will also need to provide a summary of the annual electric and heating usage for the building. It is OK to approximate.

The purpose of providing this information is for you and the GJGNY program to be able to verify that any energy saving home improvements that might be done after the audit are effective and cost-saving.

For Central Hudson customers, please see the instruction page [Central Hudson Electric Bills](#), included in our introductory packet and also available on our website. This provides instructions on the simple process of gleaning your electric usage history from your Central Hudson electric bill, or through your Central Hudson online account.

For heating fuel usage, you may contact your fuel provider(s) for a summary of your usage for the past 12 months. If this is not possible, it is OK to estimate your fuel usage.

Get Your Reservation Number

You can submit your signed application and supporting energy usage documentation via mail, fax, or e-mail:

Fax: (866) 335-6306

GJGNY Audit PO Box 12129 Albany, NY 12212

E-mail: GJGNY-Audit@csggrp.com

Schedule Your Home Energy Audit
