

How to Submit Yearly Usage From Your Central Hudson Electric Bill

Using your Printed Central Hudson Bill

On the last page of your Central Hudson electric bill you will see a bar graph detailing your usage for the past 12 months. As Central Hudson sends out bills about every other month, a complete list of usage will only indicate usage for those time periods. Simply write out this information onto a separate page so that it looks something like the example below. You do not need to make a graph, a handwritten page is acceptable. It is OK to approximate.

Billing Period	Electric Usage (KWH)
2009 Dec	900
2010 Feb	1000
2010 Apr	900
2010 Jun	750
2010 Aug	700
2010 Oct	750
2010 Dec	1100

Using your Central Hudson Online Account

You can also view your usage history online at Central Hudson's website: <http://www.centralhudson.com/>, which shows your usage history going back a few years. If you do not already have one, create an online account using details from your Central Hudson bill. Once you have created an account and have logged in, click on "Billing History" in the left hand link bar. Simply copy and paste the desired information into a Word document, or simply hand-write it out. You do not need to include the payment information in the last couple of columns on the right. It will look something like the example below:

Meter Read Date	Number of Months	Total Usage - KWH
2010/12/09	2.0	1097
2010/10/06	2.0	746
2010/08/06	2.0	716
2010/06/09	2.0	739
2010/04/12	2.0	881
2010/02/12	2.0	981
2009/12/11	2.0	899
